# Hackathon

Your opportunity to more deeply explore techniques in a small group, e.g. things most relevant to your research

- Speakers provide open-ended topics for inspiration
- You make small groups per topic (ideally 3-5 people)
- Challenge yourself and brainstorm/experiment...
  
- Speakers can provide some guidance
- Share your insights in a presentation on Friday

# Poster Session

Wednesday evening

- 16:00, 2-min poster spotlights
- 17:30, *group picture +*  
Start poster session
- 18:30, with walking dinner/reception
- 20:00, catering closes

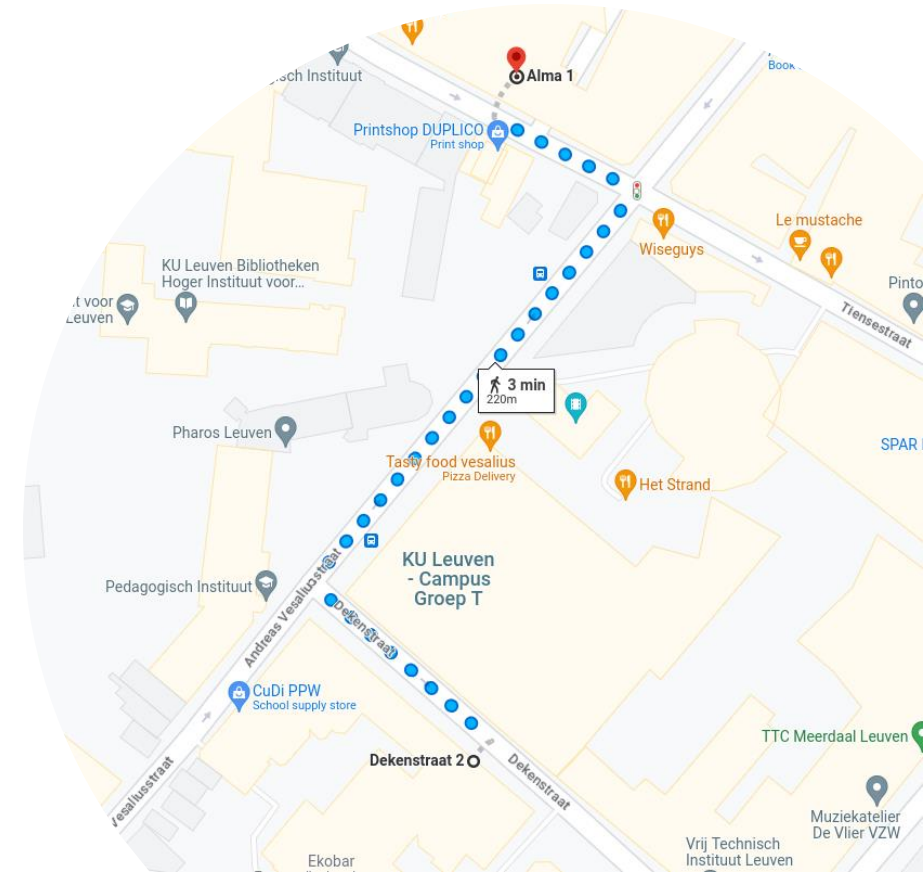

Just across the street!

# Lunch
